

Clover Medical Limited

Waste Incinerator Made by Clover

Clover Medical Limited

TS PLC Animal Incinerator Catalog (2013)

Clover Medical Limited is a leading waste incinerator manufacturer in China. We are local manufacturer and one of the largest exporter of China. Pyrolytic incinerator equipment technical is main waste treatment all of the world, for Medical waste, Pet animal cremation and other Solid waste. The capacity from 10kgs/Hr. to 600kgs/Hr., up to 10ton per day.

Presently, we supply different series for local customer requirements and design updated incinerator with our leading technology. The updated design feature of our range of incinerators make them one of the most cost effective in the world.

Key Features:

- * All models with Dual combustion chamber.
- * Stainless Steel chimney/stack, long lifetime.
- * High temperature, long lifetime of incinerator.
- * Free or minimum installation on site.
- * High burn rate, from 10kgs to 600kgs per hour, up to 10ton per day.
- * PLC Control Plane for Intelligent operation.
- * New Design for pet animal cremation business.
- * One year warranty on incinerator and parts in stock.

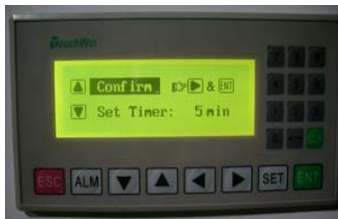

*Detail Specificaton according to order.

Clover Medical Limited

Waste Incinerator Made by Clover

PLC(Programmable Logic Controller), Intelligent and Automatic operation. Set combuston time according to different waste material and incinerator stop combustion itself. Set temperature protection parameter, if the temperature overheat, incinerator stop combustion itself.

Double combustion chamber, Residency time 2.0 sec. in secondary combustion chamber. Virtually smoke and smell free.

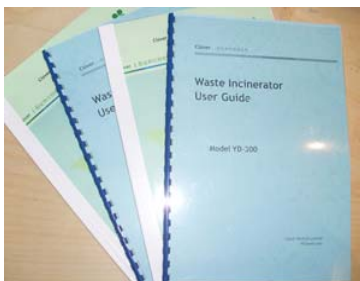

Smoke Filter Chamber with filter brick , Virtually smoke and smell free after burning.

Italy original oil or gas burner , quality reliable. It suit for diesel oil, natural gas, LPG gas.

Oil Burner

User guider, full installation and operation document for customer.

Waste Incinerator Made by Clover

TS(PLC) Model Animal Incinerator

TS model PLC incinerator is latest design for waste treatment, include medical waste, animal cremation and other solid waste. This equipment quality structural for kinds of site, like hospital, environmental department, animal cremation agencies, etc. CLOVER Incinerator supply updated models with dual combustion chamber and smoke filter chamber with refractory lines, and the combustion chamber temperature up to 1200 deg C.

Product List

Items	Specification
Model	TS10(PLC) / TS20(PLC) / TS30(PLC) / TS50(PLC)
Main Product List	Double Combustion Chamber
	Smoke Filter Chamber
	PLC Mode Control Case
	Stainless Steel Chimney
	Italy oil/gas burner: 02 units
	Oil Tank (if oil fuel)
